More details about each group are also available on our
website at: <http://www.fpcw.org/adults/adult-education>

Connect Grow Share

Through a Small Group Experience at *fpcw*

small groups life together

Groups that **CONNECT** **GROW** **SHARE**

How will a small group experience help me grow in my faith?

Connect with one another through deep, meaningful and authentic relationships. Doing life together leads to genuinely caring and supporting each other, and understanding more of who God made us to be.

Grow in faith through intentional prayer practices, scripture reading and honest discussion around how our lives are connected to and shaped by the Gospel.

Share the Gospel through actively being the hands and feet of Christ in the world together.
