

FPCW Katawa, Malawi School Project

The beginning of the school year is always an exciting time and we in this country understand the importance of education for the children in our church, community and families. As part of our mission, First Presbyterian Church of Wilmette recently gave money to our sister church in Katawa, Malawi, to add another building (2 classrooms) to their school. However, we need to help put students in those classrooms by providing various items, many of which are requirements for the students to attend school. Everyone in your family can take part since donations of any amount are celebrated! Maybe you would like to honor or memorialize someone or a group. Please consider donating to this exciting project!

Your donation of:

- _____ \$10 ... will provide a bible for one student
- _____ \$25 ... will provide a uniform or shoes for one student
- _____ \$50 ... will provide a school bag (backpack) and school supplies for one student
- _____ \$75 ... will provide a desk and chair for one student
- _____ \$100 ... will provide a uniform, shoes, bag and school supplies for one student
- _____ \$250 ... will provide a football (soccer) kit for 10 students
- _____ \$500 ... will provide for multiple children
- _____ Other amount ... All donations will be a blessing to the Katawa students and their new school.
