

Poinsettias

Help beautify the church during Advent by contributing a poinsettia in memory of a loved one or in appreciation of a special person. A list of contributors and those being remembered or appreciated will appear in the Advent Lessons and Carols Service Bulletin.

If you purchase a poinsettia to take with you, please wait until after the 10:00 am service on **December 10**.

The cost per poinsettia appears below. To contribute one, please complete this form and leave it in the church office or mail it to the church with your check on or before **Sunday, November 26**. Please make checks payable to First Presbyterian Church of Wilmette (fpcw).
